

How do I ask the distance learning instructors a question during the training?

You may ask the instructors a question at any time during the training event. To do this:

1. Call 1-888-212-0803. There are multiple phone lines connected to this number and two operators. If the phone keeps ringing, please be patient and continue to hold. Your call will be answered in the order it was received.
2. Fax your questions to 1-877-884-6282. We have included a form on the next page for your convenience. Please DO NOT add a cover sheet.
3. At U.S. Fish and Wildlife Service downlink sites, you may press the red call button on your One Touch keypad.
